Next on their program is the outdoor sport. The farmers take the ladies coasting; many times the huge bob sleighs upset throwing them into the snow, but they remount and the fun goes on.

This sport gives all a keen appetite, and back to the house they all go to satisfy it. While they are peacefully partaking of the victuals before them, the table-legs give way, and down they all go, a laughing, scrambling heap.

BARGAIN SALES

COPYRIGHTED 1907

LENGTH, 510 FEET - - PRICE, $56.10

A big Department Store advertises "Bargain Sales." Before the doors are open an enormous crowd of women has congregated. It is wonderful to see how they fight at the different counters. We see them at the waist counter and at the corset counter. China, hats and groceries, pictures and furniture they buy, all on account of the big bargains. How surprised Hubby will be when he sees all the bargains. Hubby, however, throws the bargains out of the window together with the bargain hunter, but imagine his surprise when the bargain hunter and all the bargains come back through the window.
